MEMORANDUM

TO: Philadelphia E&T Charter HS Community

FROM: Erin Dougherty, CEO
Matthew Pooler, COO

DATE: January 4, 2021

RE: COVID-19 and Continued Remote Learning

Due to the increasing number of confirmed cases of COVID-19 in Pennsylvania and the substantial transmission rate of the virus in Philadelphia County; the Board of Trustees of Philadelphia E&T Charter High School has extended the school's virtual remote learning plan through the end of the third academic quarter. School officials will evaluate the public health conditions at the end of February and will communicate any decisions to you as soon as possible.

While the school continues to be operating remotely, we encourage all students and families to visit the City of Philadelphia's Grab & Go Meal Sites. Please be sure to visit one of the locations listed here: <https://www.phila.gov/food/?services=Student%20Meal%20Site>

Families and Students are encouraged review their Schoology pages and PowerSchool to ensure any work from the first semester is submitted by January 29, 2021.

Please Note: we transitioned to block scheduling this year, therefore, students will be issued **FINAL GRADES at the end of January** for the courses they took remotely from September through January. That will mark the end of the course. All students will get new courses in February which will take them through the end of the school year.

You can continue to receive the most up-to-date information, in multiple languages on our school website: www.petchs.org and by checking our COVID-19 Information Hub at <https://sites.google.com/petchs.org/philaetcharterhs/home>.

Please email Erin Dougherty with any questions/concerns: doughertye@petchs.org
